The Turning Point

Super Man

Dedication

Cameo Appearance

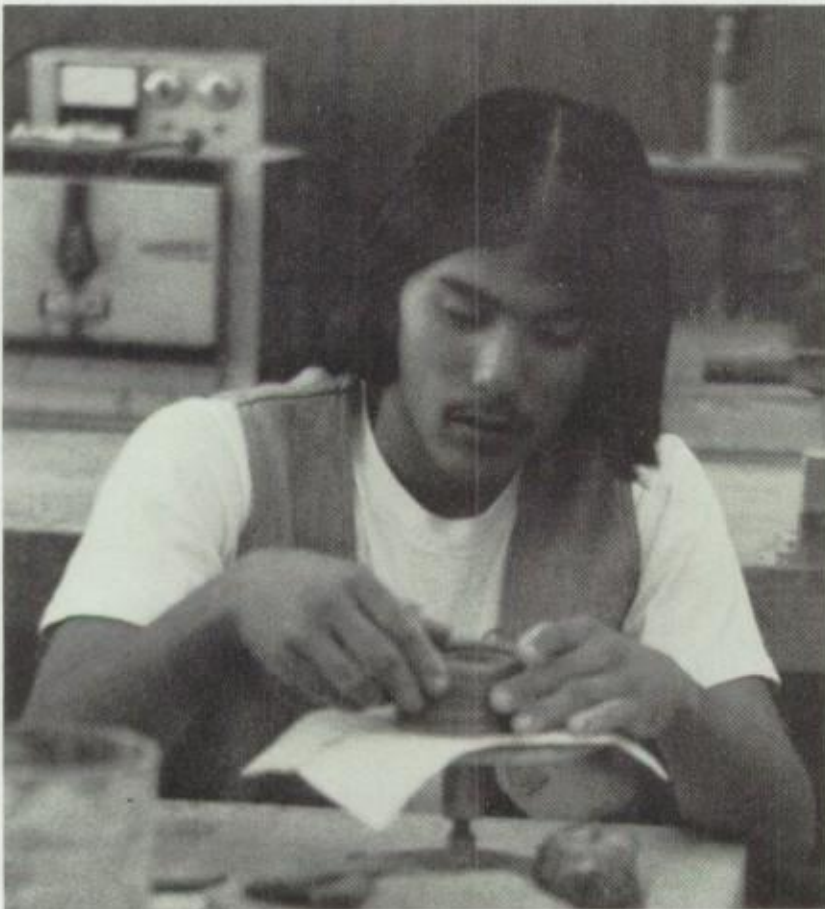

Branham High School has been very fortunate for the past eight years to have in its administration a man who has devoted twenty-four years to education.

Throughout these years, he has held several positions, each benefiting the students in a different way. Included are Director of Education, Dean of Boys, Director of Vocational Agriculture, and also instructor of Agricultural classes; all before becoming Principal of Branham High School.

For these reasons, on the year of his retirement, we, the Ursa Major staff recognize Mr. Jack Wagon, our principal, as our "Superman".

"Branham's 1978 Varsity Football Team was a team that encountered more adversity than any football team in Branham's history. The team lost their starting quarterback in a non-football injury the week before the season started. The adversity went from bad to worse, with the team losing eight more starters during the season.

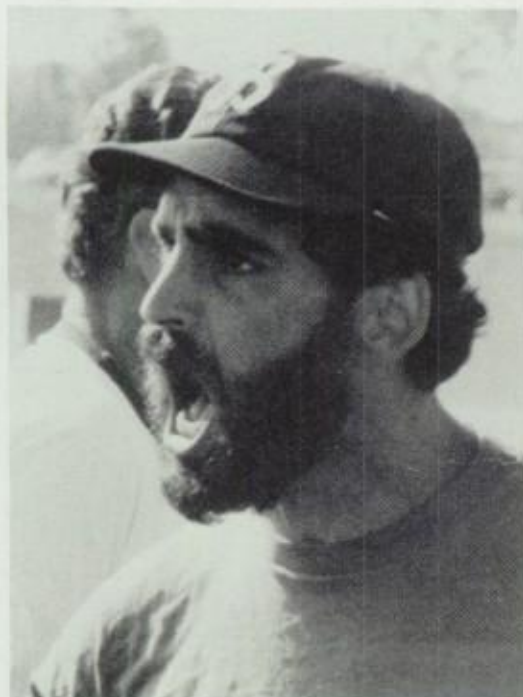

I admire this football team greatly, with all of it's problems they remained competitive to the last second, losing the championship on a field goal with fourteen seconds remaining in the last game.

The positive attitude, desire, dedication, and competitiveness of this football team exemplifies Branham football.

Thank You,
Coach Maraldo

There were some very close matches and exciting wins. Our record improved over last year: Varsity 3-5 and Junior Varsity 2-6. The young talent of the teams insures an even more promising season next year."

The Branham Frosh-Soph Basketball team completed another fine season by capturing the W.V.A.L. Co-Championship. Their league record was 12 wins and 4 losses and their season record was 17 wins and 7 losses. This team worked very hard for four months and deserved to be recognized as the best team in the league. These young men have exemplified all the fine qualities of a dedicated athlete both on and off the court. They are excellent representatives of Branham High School. The leading rebounder and scorer this year was Jon Denton; leading in assists and free throws (80%) was Mike Rasmussen and best defensive player was Danny DeMaria. The leading freshman and the nucleus of next years team are Frank Ponce, Eddie Huse, Jeff Jenkins, and Mitch Wilson.

A special thanks is extended to the great Branham fans who supported the team all year. It was great to see a lot of Branham Spirit. Congratulations!

This years Branham's Wrestling Team was composed mainly of underclassmen. The Varsity lineup consisted of four Freshmen six Sophomores and two Juniors. Three of the league matches were lost because of this inexperience. Many quality young men will be returning next season. And with their maturity, physically and mentally, next year's Branham Wrestling Team will be exciting to watch.
